January 31, 2011:

I apologize that I don't have the contact for all Worshipful Masters/Secretaries at this time. Several Lodges do not have the contact information for their respective Lodges posted on the Grand Lodge "Lodge Locator" link as yet and I think several of the Worshipful Masters don't have a computer or e-mail address.

Worshipful Masters/Secretaries: If you haven't already done so, please send the Grand Secretary the names/telephone number/e-mail address of the: **Worshipful Master; Senior Warden; Junior Warden; and Secretary** so they can post it on the "Lodge Locator" link. If you've already done so, and it isn't posted as yet, please send a reminder note to the Grand Lodge. This is very important information as a family member of a Brother of your Lodge may be attempting to contact your Lodge for an emergency or whatever reason and also, an out of town/State visiting Brother may be attempting to search information on your Lodge so as to maybe visit/etc.

Thanks,

R.: H.: Sandy Huff, Past President, M&W's
